

Local 696 Annual Awards Night December 9, 2011

The Annual Awards Night was again held at the Knights of Columbus in Kenilworth. The evening of brotherhood was attended by many 696 members who enjoyed a good meal and the camaraderie of their Union Brothers and Sisters. Annual Years of Service Awards were presented by Business Manager, Kevin Bellew and President Scott LaMorticella. The highlight of the evening was the 70 Years of Service Award that was presented to Walter L. Palmer, Jr. who received his award flanked by his sons, Walter III and Glenn also longtime members of Local 696. The pride of the Palmer Family is evident in this photo! Local 696 congratulates Brother Walter on his achievement!

Once again Local 696 members demonstrated their generosity in the large number of donated toys for the U.S. Marine Corps Toys for Tots Campaign. This Christmas will be brighter for many children because of the kindness of Local 696 members.

The Officers and Staff of Local 696 wishes all the members a very Happy Holiday Season and a Happy, Healthy and Prosperous New Year.
